

IFAD GRANT OPPORTUNITY

Leveraging IFAD's Rural Sector Performance Assessment for Policy and Investment

An opportunity to strengthen rural development policies and investments through enhanced analysis, innovation and impact.

ABOUT IFAD

IFAD is a UN specialized agency and international financial institution committed to transforming agriculture, rural economies, and food systems across 92 countries.

FOCUS AREAS

Empowering rural women, youth, indigenous peoples, and persons with disabilities through financing, policy support, and innovation.

ABOUT THE GRANT

This call for proposals aims to select a recipient — or consortium of recipients — to implement this initiative and strengthen country-level policy and investment environments for rural development.

ELIGIBLE APPLICANTS

Non-profit
Organization

Private Sector
Company

University
