

## AWFC grant

The AWFC provides grants to Indian non-profits working to improve animal welfare, focusing on farmed, community, working, and lab animals. Here's what you need to know:

### **About the Fund:**

- Objective: Advance strategic initiatives for animal welfare through evidence-based projects
- Funding: Up to ₹75 lakhs or 50% of annual operating expenses, one-time or multi-year grants

### **Eligibility:**

- Organization: Non-profit registered in India with 80G and 12A certificates
- Focus: Projects targeting farmed, community, working, or lab animals in India
- Exclusions: Wildlife-focused projects (except limited companion animal projects)

### **Application:**

- Deadline: January 15, 2026
- Requirements: Executive summary, Theory of Change, budget, organizational background, incorporation documents, and certificates
