*Empowering Education.
Enriching Futures.*

*Together, we build a
better tomorrow.*

LAST DATE TO APPLY IS
14th AUGUST 2026

STEM

KEY FOCUS AREAS

The Foundation supports projects that improve access to quality education, especially for disadvantaged communities. Its priorities include:

SCHOOL EDUCATION

Promoting access to quality education, especially for girls and rural students.

STEM EDUCATION

Encouraging innovation and excellence in Science, Technology, Engineering and Mathematics.

TEACHER TRAINING & CAPACITY BUILDING

Strengthening educator skills for better learning outcomes.

DIGITAL EDUCATION

Promoting technology-enabled learning and digital inclusion.

EMPLOYABILITY & LIFE SKILLS

Preparing students with the skills needed for a successful future.

**INVESTING IN EDUCATION TODAY,
TRANSFORMING LIVES TOMORROW.**
